# The Program

The AAA School Safety Patrol program has been protecting children going to and from school since 1920. Millions of young people across the United States and 30 other nations worldwide volunteer their time each day to help ensure the safety of their peers.

AAA Ohio Auto Club helps former AAA School Safety Patrol members further their education after graduation through the AAA School Safety Patrol \$1,000 Scholarship program. Each year, we present \$1,000 scholarships to select high school seniors who once participated in the AAA School Safety Patrol program. To date, more than 275 high school seniors have been awarded these scholarships since the program started during in 1987.
