

Elizabeth Hanson Scholarship

This scholarship is being offered in memory of Elizabeth Hanson, who taught Latin and Mythology at Sheridan until her death in 2002. Mrs. Hanson, who was born and raised in Somerset, was a positive influence in the lives of many youth of the Sheridan community. As a teacher, she celebrated the differences among students and encouraged other to follow her example. Personally, Mrs. Hanson was a political liberal, a baseball fanatic, and a Rolling Stones fan. She loved current events, nature astronomy, and ancient stories. Her love of art and music, in addition to all her other passions, complete our image of the consummate teacher.

This scholarship is open to any Sheridan High School senior who will be attending post-high school education. The student must have earned at least a credit from Latin or Mythology classes. The scholarship is sponsored by the Sheridan High School Student Council. The amount is not fixed but varies depending upon Student Council funds and membership vote.

The following application must be completed by the announced deadline.
