

The GENERAL NEW

October 2018 SHERIDAN MIDDLE SCHOOL

Hello SMS families! It is hard to believe September has come and gone. We have had a great month at SMS and would like to highlight some of our major events for you.

STUDENT ORGANIZATIONS... Our Student Council and National Junior Honor Society members have been selected and each group has named their elected officials. These students take on leadership roles within their organization as they meet and plan for multiple events throughout our school year.

8th GRADE MIDEAST FIELD TRIP... Our 8th graders took a trip to Mid-East Career Center. They viewed first hand, the many different programs that are offered. Each student received information and opportunities that are available for them as Juniors and Seniors. They finished up at McDonalds, always the highlight of the day. This was a great experience for our kids filled with compliments of how well they conducted themselves throughout the day!

Overall we have had a great start to our school year! We look forward to the upcoming events here at SMS. Each and every day is a Great day to be a General!

For more information about our student organizations and clubs or to view our photo galleries from recent events please visit our SMS webpage.
