

# The GENERAL NEW

November/December 2018 SHERIDAN MIDDLE SCHOOL

Hello again Generals!

As the leaves are falling and we head into our winter months, there is much to share from our fall season. We've been blessed with a high level of academic, athletic and performing arts accomplishments at Sheridan Middle School.

The work ethic of our students is evident in our first 9 weeks accomplishments of 313 students performing at high academic levels in their classes. We had 59 students receive Principal's Excellence (4.0 GPA), 160 students receive Principal's Achievement (3.5 GPA) and 94 students receive Principal's Honors (3.0 GPA).

In Athletics, the Fall of 2018 produced some very exciting moments for our athletes. The Girls Cross Country team finished as MVL CHAMPIONS! The 7th Grade Volleyball team and the 8th Grade Volleyball team both finished as MVL CHAMPIONS! A special thank you to our cheerleaders and band for all their support and contributions to the Fall Pep Rally. Please help us continue our championship momentum by supporting our winter teams. Go Generals:

Student Council are reading to the preschoolers once a week. Also members are working on litter cleanup on the school campus, and preparing for our "Leaves of Kindness" activity. All students are encouraged to express their gratitude with others. Proceeds will go towards our MS Adopt-A-Child initiative to aid local families during the holidays.

We are looking forward to many more memories to be made as our school year continues. We hope everyone has an enjoyable holiday season and we thank all Sheridan students, families and staff for all you do! The continued success of Sheridan Middle School is a direct result of your continual effort and support.

It truly is Great to be a General!
