

THORNVILLE ELEMENTARY-FEBRUARY NEWSLETTER

This month, Thornville Elementary students and staff would like to thank our PTO for all they do.

PTO purchased two Osmo Carts. Each cart will have 4 iPads with their own Osmo base and 10 different interactive activities. These activities vary from counting money and making change to a variety of problem solving skills. Our students will be able to use hands on manipulatives that interact with the Osmo and iPad to learn the individual lessons. They also are in the process of buying more iPads.

Once the weather breaks? The students will be able use the newly purchased playground equipment PTO bought.

February 26, @ 6:00 pm PTO will have Dr. Naomi Kertesz from Nationwide Children's Hospital presenting on the danger of Sudden Cardiac Arrest and teaching all of us how to use an AED machine. These machines can save lives and we all need to know how to use them. This is for the entire community. More details coming soon! <https://www.youtube.com/watch?v=nOCSyKluY&t=5s>

UPCOMING EVENTS

2019/2020 KINDERGARTEN REGISTRATION

Registration for 2019/2020 Kindergarten will be Wednesday, March 6 from 8:30 am-3:30 pm and Thursday, March 7 from 12:00pm -7:00 pm. It will be held at the Sheridan Middle School library. Registration packets are available at the district office and at the elementary offices.

IT'S COLD OUTSIDE!!

Your child needs to be prepared for the changing temperatures. They must have a coat to be able to go outside for recess. It would also be a good idea to start sending hats and gloves. We will be having outside recess until the temperatures are below 25 degrees, which includes the wind chill. Please remember that there is no inside recess option for those who are cold at recess.

UPDATE

Friday, February 1:
