** Officers not present Amy Love

OLD BUSINESS

Treasurer's Report

Available by request from Treasurer Amy Love or Co. Liz Schein there is always a copy on file with the secretary.

Skating Parties

Liz Schein was unhappy with the past couple parties and the communication with the management. We talked as a group and are willing to call around and price other locations for February and October of next year, Kendra Jones will look into that and get back to us.

Spring Book fair

The date has been set May 9-12 all day long, still working on where to have it so we can have the pastries for parents' event. We are in need of volunteers for this, students will go during Library time. Kim Thomas will call Circle K and get the doughnuts for Tuesday.

Winterfest

Melissa King reported Winterfest was a huge success this year with a large increase in profit from last year and had many people to thank for helping. Trisha Moorehead was our PR person and her husband helped pick up the games, Ally Blevins and Kim Thomas for helping at the event, Angenet Pitcock and Mrs. White for running the kitchen, Mr. Rhodes for helping with set up and staying all night, Amber Daly for donating the bounce house, and Lisa Wells for bringing her family to run several games. Liz Schein took care of start up during s stressful time for her family, Coyle and Sahara Withrow for helping with the cotton candy with their mom Karen Ewing and Heather with the popcorn stand. The kids loved it and the prizes will need to be refilled for next. The food donations were amazing and the food voucher will be used again next year. DJ Don will give us a deal next year on the inflatables which everyone agreed would be a great idea.

Parent teacher conference

The staff enjoyed the dinner PTO provided for them and it was truly appreciated

Laminating film

Enough was ordered to last at least 3-4 years

Old Business

Mr. Wofter is in need of plastic tubs for the clinic to store extra clothes for the students, Trisha Moorehead stated she had 1 and brought it in thank you Teresa.

Coffee Maker

Kate Simmons stated she had one she was willing to donate to the staff, and is looking for it.

Mother/ Son Dance

The following date has been selected April 16th more details will be coming.

Spring Flower Fundraiser

Kick off will be Thursday March 3rd at 1:30, and end March 15th. The orders are due to the greenhouse Monday March 21st with delivery May 10th to the school at 10:00. Talked about for top sales maybe pizza or ice cream party with Mr. Rhodes, or a chance to tape Mr. Rhodes to the wall. We also talked about ideas like kissing a pig, lizard or a cow, will talk more at a later meeting.

Springfling

Will be held May 13, 2016 Trisha Moorehead and Amber Daly will help chair the event. Special T's will be making the shirts this year with the cost of the shirt approx.. \$5.00 per t-shirt.

Bethany and Jessi will be getting sponsors to list on the back of the shirts. If you know of a sponsor, please provide them with the information it is \$100.00 to be one. A letter will be going home about donating extra t-shirt money for those less fortunate. Talked about letting parents order one for themselves as well. A discussion was brought up about having the kids bring extra clothes in case they got wet so more students could participate. Also making the schedule so the young kids come in the morning when there is more volunteers. Having a potluck for the volunteers would be a nice touch as well.

New Business

Firehouse pizza Fundraiser Lilly Langwasser has agreed to let PTO have one, we are looking at a date in April. We will need someone to make the fliers like the one we did at Sopapilla Express. It is a great idea to support local businesses and help PTO at the same time.

Secret Santa

Melissa King asked PTO to have 100.00 to spend for early shopping since Kmart is going out of business and they are having great sales, Lisa Wells suggested 300.00 and it was passed that she could have 300.00 to do early shopping.

Next Meeting April 5, 2016 at 6:15
