Glenford Gazette

Parent Edition #7

Principal's Message

Happy Spring, Glenford Families!

With Spring comes unpredictable weather, memory-making events, and the days fly by here at school. Our classes will plan to go outside most days if the ground is not wet, so please check the temperature for the time between 11:30 a.m. and 1:00 p.m. to see if your student will need a coat, jacket, etc. Our school will be practicing for tornado drills each month for the rest of the school year. We have needed to reassure some students that we are just practicing for severe weather. Please let your child's teacher know if your child has a fear of storms or loud noises. We will do our best to prepare them ahead of time for a drill or an actual storm.

The "Important Dates" section of this newsletter lists all of the events on our calendar for the rest of the school year. Our last day of school with students will be announced at the end of next week after our Board of Education Meeting. Our last month of school will be filled with many fun activities. I am looking forward to welcoming our new Kindergarten students and their parents, as well as my first Spring Fling in May!

The Glenford Staff appreciates your assistance with the transition to our new student pick up procedure. If you have any additional ideas for improving this process, feel free to send me an email or call the school office and let Mrs. Hall know your idea!

Your Partner in Education,

Sherri Lawrence

NEW STAFF CORNER

Glenford would like to introduce one of our new Educational Assistants, Mrs. Jamie Reichley. Mrs. Reichley is a life-long resident of Glenford where she currently lives with her husband and two sons. Mrs. Reichley is a former Glenford student and attended Glenford Elementary back when it was in the old high school building. She is a graduate of Sheridan High School, too! Mrs. Reichley worked as an accountant for over 10 years before staying home to raise her two boys. She loves being at home with her family on their small hobby farm. The Reichley's raise dairy goats, turkeys, and chickens along with an assortment of pets they have acquired. Mrs. Reichley's hobbies include quilting, gardening, and fishing.

Welcome to Glenford, Mrs. Reichley!
